PROFESSIONAL EXPERIENCES

Currently
September 2023

TypeScript & JavaScript - Developer
Free Energy - Freelance

CRM developed with Angular for the front-end and Node.js for the back-end, allowing the management of thousands of customers and employees, and generating millions in turnover.

I am also working on a sales application in Next.js and AdonisJS, designed to assist salespeople in their interactions with customers, by integrating APIs to optimize the efficiency and speed of sales processes.

May 2023

NodeJS & React.js - Developer
MBEN DEV - Freelance

Mission in React and Node.js, contributing to optimization and digital transformation

2020 - 2022

Semi-Pro Coach - Esport
Blazing Boost Srl - Freelance

Technical advice to optimize their performance

2018 - 2019

Influencer
A BATHING APE - France
Understanding and communicating with an online audience

EDUCATION

2022-2024

Epitech - Web@cademy
I have deep expertise in the field. I am proficient in back-end and front-end development, and am able to easily adapt to new languages and frameworks.

2015-2017

Académie des Beaux-Arts
Creativity developed in applied art school, manual techniques for various artistic projects. High school affiliated with the Academy of Fine Arts.
